HONORING LOUISE ROURKE AND
BRIDGET SIMPSON FOR THEIR
SWIM TO FIGHT POLIO

HON. ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 12, 2018

Ms. STEFANIK. Mr. Speaker, I rise today to honor and recognize Louise Rourke and Bridget Simpson, who swam across Lake George to raise awareness and funds for polio.

Hailing from Queensbury, New York, Louise Rourke is a 64-year-old polio survivor. Diagnosed at only 6 months old, she underwent multiple corrective surgeries and wore a metal leg brace as a child. Despite these challenges, Louise was committed to living an active and healthy lifestyle, and pursued her love of swimming during her youth at her family's vacation home in Lake George.

Later in her life, Louise met Bridget Simpson, a long-distance swimmer who swam across Lake George solo in 2017. The two immediately became friends, both inspired by the other's story. Bridget began coaching Louise on her swimming techniques and encouraged her to pursue her own long-distance swim. The duo decided on a relay swim across Lake George, alternating swimming five to six miles at a time.

Swimming in support of polio research, Louise and Bridget started in Lake George Village at 6:30 a.m. on June 30, 2018, and completed the 32-mile relay across the lake to Diane's Rock in Ticonderoga in under 24 hours. Through their inspiring story, Louise and Bridget raised \$20,000 to help Rotary International's initiative to eliminate polio. The Bill and Melinda Gates Foundation matched these funds 2-to-1, totaling to a whopping \$60,000 toward the eradication of polio.

I am so proud of Louise's motivation and success in completing her goal, and of Bridget's dedicated mentorship. On behalf of New York's 21st District, I want to give Louise Rourke and Bridget Simpson my utmost praise and thanks for their dedication to eradicating polio.

Mr. CALVERT. Mr. Speaker, I rise today to honor and pay tribute to Orville "Dean" McWhorter, who passed away in his home in Norco, California, on Tuesday, July 24, 2018.

Dean, a devoted family man, served his nation in the Vietnam War. He will be deeply missed.

Dean graduated from La Serna High School in Whittier, California, in 1969. Not long after graduating high school, Dean joined the Army and was a member of the 101st Airborne Division during the war in Vietnam. After he returned home from Vietnam, Dean began working as an electrical designer at Fluor Corporation and other engineering firms. After 37 years, Dean ultimately finished his career with MARMAC Engineering. After retiring at age 62, Dean and his wife Robin spent time looking for the perfect house and ultimately settled in Norco to be near his children and grandchildren, who meant the world to him.

Dean enjoyed the great outdoors, fishing, guns, hunting, horseback riding, ping-pong, playing pool and camping. He was a devoted Christian, a patriot, and a big sports enthusiast. He loved animals, music, classic cars and motorcycles, a good joke, a great meal, and holiday family get-togethers. Dean leaves behind his loving wife Robin; his daughters Jenny and Brandi; their husbands and children; Dean's oldest brother Lee; Lee's wife Janet; Lee's two daughters Leanne and Kristi; their spouses and children; and Dean's loving mother Delona Louise.

I extend my heartfelt condolences to the McWhorter family, his friends, and everyone fortunate enough to know Dean. Although Dean may be gone, the many contributions he made to his country, community and family will have a lasting impact.

HONORING THE WORK OF ST.
JOSEPH'S CATHOLIC CHURCH

HON. KEVIN YODER

OF KANSAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 12, 2018

Mr. YODER. Mr. Speaker, I rise today to honor the work of St. Joseph's Catholic Church in Shawnee, Kansas. This year will mark the 150th anniversary of the founding of St. Joseph's, and I share in celebrating this momentous milestone. St. Joseph's boasts one of largest Parishes in the Archdiocese of Kansas City and supports both a grade school and an early education center.

The small frontier town of Shawnee was founded in 1857, and one year later St. Joseph's Catholic Church opened its doors to minister to the growing and diverse community. Today, 150 years later, St. Joseph's continues to play an important role in the health and spiritual lives of people in Johnson County. This is a parish dedicated to the education of our youth and the well-being of our community, and I can only imagine the accomplishments the church will amass in the next 150 years. I want to acknowledge the dedication of the congregation and ministry to spiritual growth, and wish them continued success as they share the Good News and meet the ever-changing needs of the congregation and surrounding neighborhoods.

CELEBRATING THE 85TH ANNIVER-
SARY OF MARTIN'S TAVERN

HON. RODNEY P. FRELINGHUYSEN

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 12, 2018

Mr. FRELINGHUYSEN. Mr. Speaker, I rise today to celebrate the 85th Anniversary of Martin's Tavern located on Wisconsin Avenue and N Street, NW in Washington, D.C.

In the late 1890s, William S. Martin traveled from Galway, Ireland to America. Forty years later in 1933, William S. Martin and his son, William G. Martin, opened Martin's Tavern on the corner of Wisconsin Avenue and N Street NW in Georgetown. Since then, the warm atmosphere of Martin's Tavern has welcomed neighbors and world travelers looking for great food, service and years of history within its walls. In the late 19th century through the early 20th Century, Georgetown remained a blue collar laborers' port, transporting goods in and out of the Washington region. The Martin family was at the heart of the community, familiar with the many that resided, labored and traveled in Georgetown, setting the tone and spirit of their tavern.

This Georgetown landmark has hosted countless political icons—most notably has been every president from Harry Truman (Booth Six) to George W. Bush (Table 12). Over the last eighty-five years, some of the most significant conversations and events would unfold over the tavern's Irish-American fare.

In the 1930s, Benjamin Cohen and Thomas Corcoran, of President Franklin D. Roosevelt's administration, met in an extension of the tavern's main room called, "The Dugout." Roosevelt's brain trust would hammer out countless New Deal legislation including: the Tennessee Valley Authority, Securities Exchange Act, the Federal Housing Administration, Securities Exchange Commission, the Public Utilities Holding Company Act, Rural Electrification Act, and the Fair Employment Act among other New Deal legislation.

During World War II, Martin's Tavern witnessed the creation of many plans to gain intelligence and eventually assist the allies in winning the war. The Office of Strategic Services, the predecessor of the modern Central Intelligence Agency, held planning meetings and agent briefings in The Dugout.

While they were dating, Martin's Tavern was a favorite spot of then Senator John F. Kennedy and Miss Jacqueline Lee Bouvier. On Wednesday, June 24, 1953, Jackie returned from covering the coronation of Queen Elizabeth II for the Washington Times Herald. That
